Complaints

For the purpose of interpreting this section concerning our Complaints Handling policy, Underwriters shall be referred to as “We”, “Us” and “Our”.

Our aim is always to provide the Assured with the best possible service. If the Assured feels that We have not provided the best possible service or made an error, then please advise Us in the first instance. We will take the Assured’s complaint seriously and do Our best to investigate and resolve it as quickly as possible. We have established the following complaints handling procedure to ensure that this happens.

Step 1

Tell Us about it. There are different ways the Assured can do that.

1. Communicate with the Assured’s usual contact at Convex being either their Account Manager or Broker. Let them know that the Assured is dissatisfied with the service they have received and tell them why.

The Assured can contact Us by email, telephone, or letter.

2. Contact Our complaints team:

complaints@convexin.com

Tel: +44 (0)7919 603210

Convex Insurance UK Limited

52-54 Lime Street, London EC3M 7AG, United Kingdom

We will acknowledge the Assured's complaint promptly and We will let the Assured know who will be handling their complaint and provide the Assured with their contact details.

Step 2

We aim to resolve the Assured's complaint as soon as possible. If it is complicated or We need to investigate the circumstances further, then We may not be able to resolve it straight away and it may take longer depending on its complexity. We aim to get to the Assured a final response within eight (8) weeks of receiving their complaint. If We cannot do so, then We will tell the Assured why it is taking more time and let the Assured know what We are doing and how long We expect it will take to resolve.

Step 3

If the Assured is not happy with Our response, or actions, and feel that the matter has not been resolved to their satisfaction, then there are two options to take it further:

1. The Assured may be eligible to refer the complaint to the Financial Ombudsman Service, the "FOS". Please note that there are time limits within which the Assured must contact the FOS (these limits have been mentioned previously in this Policy). Convex Insurance UK Limited needs to give the Assured their final response within eight (8) weeks of their complaint, at the most, depending on what the Assured has complained about. The Assured should get in touch with the FOS within six (6) months of receiving Convex Insurance UK Limited's final response to your complaint.

1. **Mould**
loss, cost or expense arising out of, resulting from or in any other manner related to Fungal Pathogens. However, we will provide cover for damage related to Fungal Pathogens which are caused by a Defined Peril which is covered by this Policy.
2. **Northern Ireland – civil commotion**
civil commotion in Northern Ireland.

This Section 2 is also subject to the specific Exclusions within its Operative Covers and the General Exclusions set out in Section 4.

Conditions applicable to Section 2

1. **Average**
If at the time of Property Damage the Sum Insured of the Buildings or Contents by each item is less than 85% of the cost of Reinstatement at the Commencement Date, then the Underwriters' liability for any Property Damage will be limited to the proportion that the Sum Insured bears to the cost of Reinstatement.

Where a day one reinstatement clause applies, if at the time of the Property Damage the Declared Value of the Property Insured by each item is less than the cost of Reinstatement at the start of the Policy Period, then the Underwriters' liability for any Property Damage will be limited to the proportion that the Sum Insured bears to the cost of Reinstatement.

For Stock or any other item listed in the Schedule, if at the time of Property Damage the Sum Insured on any of these items is less than the value of the property covered by the item (or for any item on rent, less than the amount of rent during the period to which the item relates), then the Assured will be considered as being the insurer for the difference and will bear a rateable share of the loss accordingly. The amount payable by the Underwriters will be proportionately reduced.

If it is stated in the Schedule that average does not apply at the time of the Property Damage, the maximum amount payable will be the Sum Insured for that item.
2. **Waiver of Average (only applies if shown in the Schedule)**
Average has been waived under this Policy on the proviso that the Assured arranges to have regular professional valuations carried out, (for Buildings valuations this should be undertaken by the Royal Institute of Chartered Surveyors) at intervals of not more than three (3) years and the relevant Sum Insured is adjusted accordingly.

If the Assured does not carry out regular valuations as required above, then Condition 1 (Average) above will apply in the event of a claim.
3. **Salvage**
Underwriters may enter the Locations where Property Damage has occurred and take possession of or require to be delivered to Underwriters any Property Insured and deal with it in a reasonable manner (depending upon the type of salvage), but the Property Insured may not be abandoned to the Underwriters.
 - a) **Brands and labels**
Following Property Damage to Property Insured bearing a brand or trademark, or which in any way carries or implies the guarantee or the responsibility of the manufacturer or the Assured, the salvage value of that Property Insured will be determined after removal in the customary manner at the Underwriters' expense of all brands or trademarks or other identifying characteristics.

The Assured may at the Underwriters' expense stamp "salvage" on the merchandise or its containers or may remove or obliterate the brands or labels from the merchandise if stamp removal or obliteration will not physically further damage the merchandise, provided that the Assured re-labels the merchandise or containers in compliance with the requirements of the law.

b) **Control of damaged merchandise**

The Assured may retain control and have full right to the possession of all merchandise manufactured, sold or distributed by the Assured which sustains Property Damage. Exercising reasonable discretion, the Assured will with the Underwriters' consent following Property Damage, judge as to whether the merchandise sustaining Property Damage is fit for consumption, sale or use. Any merchandise deemed by the Assured to be unfit for consumption, sale or use will not be sold or otherwise disposed of except by the Assured or with the Assured's consent, but the Assured will give the Underwriters any salvage proceeds the Assured obtains on any sale or other disposal of merchandise.

4. **Subrogation waiver (applicable to Operative Cover A Material Damage and Operative Cover D Trade All Risks)**

Following a claim under this Policy, the Underwriters agree to waive any rights, remedies or relief to which they might have become entitled by subrogation against any company:

- a) standing in relation of parent to subsidiary (or subsidiary to parent) to the Assured;
- b) which is a subsidiary of a parent company of which the Assured is a subsidiary.

In each case as defined by current law at the time of the Property Damage.

5. **Unoccupied Buildings**

a) **Notification**

Underwriters must be notified in writing by e-mail or letter as soon as reasonably practicable of any Unoccupied Building that becomes occupied or any occupied Building which becomes Unoccupied.

b) **Security**

For an Unoccupied Building the Assured must take the following steps:

- i. the gas, electricity (other than power required for an intruder or fire alarm system) and water supplies are turned off at the mains and all water pipes, apparatus and tanks are drained down (unless the central heating system is kept running to maintain a minimum temperature of five (5) degrees centigrade) during the period 1st October to 31st March. Where sprinkler systems are installed and water supplies must be maintained, heating must be maintained at a minimum temperature of five (5) degrees centigrade;
- ii. Buildings must be secured against unlawful entry by closing and locking doors and windows and setting any security and alarm systems;
- iii. the Building and yards must be clear of all waste materials and redundant contents;
- iv. the letter box must be permanently sealed shut or a non-combustible receptacle is permanently fixed to the letter box;
- v. the Building must be inspected both internally and externally at least once a week by a responsible person to ensure that there is no deterioration in the fabric of the Buildings and that compliance with conditions i.– iv. above continues.

Following notification as described in clause 5. a) above and/or a breach of the Assured's duty to take the security steps identified in clause 5. b) above, Underwriters will have the right to impose additional terms, conditions and exclusions and charge a suitable additional premium which will be paid by the Assured if required.

6. United States of America and Canada Jurisdiction

Where the Covered Jurisdiction applicable to any Operative Cover is shown in the Schedule as Worldwide, then in respect of any judgment, award or settlement made within countries which operate under the laws of the United States of America or Canada or any order made anywhere in the world to enforce such judgment, award or settlement either in whole or in part:

General Terms and Conditions applicable to all Sections and all Operative Covers

This Part of the policy sets out the General Terms and Conditions. These apply to all Operative Covers in all Sections and they are in addition to the terms specific to each Operative Cover or Section.

- d) after payment of the above, the Assured receives any balance (excluding interest);
- e) after payment of above, any interest recovered should be distributed between the Assured and the Underwriters in the same manner outlined above.

2. Alterations in Risk

The Assured is required to notify the Underwriters as soon as is reasonably practicable of all material facts or alterations in the risk which come to their knowledge or arise during the Policy Period. The Underwriters reserve the right to amend the Policy terms and conditions.

In the event of a deliberate or reckless breach of this term, the Underwriters shall have no further liability under this Policy and the Insured shall not be entitled to a pro-rated refund of the premium.

If the breach was not deliberate or reckless (for instance, negligent), depending on what Underwriters would have done had there been no breach, the Underwriters may:

- a) treat the Policy as if cancelled from the date of the alteration, decline all future claims and return a pro-rated portion of the Premium to the Assured where no claims have been made;
- b) treat the Policy as if it had been varied from the date of the alteration; or
- c) proportionally reduce the amount payable on a claim based on the increased Premium the Underwriters would have charged, as more specifically set out in the Insurance Act 2015.

3. Cancellation

- a) The Assured is entitled to cancel this Policy by giving the Underwriters thirty (30) days' notice in writing;
- b) The Underwriters are entitled to cancel this Policy by giving the Assured thirty (30) days' notice in writing.

4. Currency

The currency of all Premiums, sums insured, Limits of Liability and Excesses shown in this Policy, Schedule, Endorsement(s) or any renewal shall be Great British Pounds indicated as GBP.

5. Excess

Where an excess is stated in the Schedule the Assured shall be responsible for the first amount so specified each and every Occurrence, inclusive of costs and expenses.

No cover will be granted under any Operative Cover for the amount of the Excess stated in the Schedule. The Limits of Liability stated in the Schedule are in excess of and not reduced by the amount of any Excess.

Where an Occurrence gives rise to liability under Operative Covers H (Public Liability), I (Product Liability) and/or J (Pollution Liability), only the largest Excess of those Operative Covers shall apply to all losses and Claims arising from that Occurrence.

6. Fair Presentation

The Assured is under a duty to make a fair presentation of the risk to Underwriters prior to entering into the Policy and prior to the agreement of any variation to the Policy.

A fair presentation is one that includes all material information, presented in a manner that is clear and accessible, and in compliance with all requirements of the Insurance Act 2015.

Failure to make a fair presentation of the risk will give Underwriters a range of remedies, as set out in the Insurance Act 2015, which can be broadly summarised as follows:

- a) if the breach was deliberate or reckless:
 - i. treat the Policy as if it never existed;
 - ii. decline all claims; and
 - iii. retain the premium; or
- b) if the breach was not deliberate or reckless (for instance, negligent), depending on what Underwriters would have done had there been no breach:
 - i. treat the Policy as if it never existed, decline all claims and return the Premium;
 - ii. treat the Policy as if it had been entered into on different terms from those agreed; or
 - iii. proportionally reduce the amount payable on a claim based on the Premium the Underwriters would have charged, as more specifically set out in the Insurance Act 2015.

The remedies summarised in a) and b) apply to a breach of the duty of fair presentation made prior to the Policy being entered into, and, with some modifications, to a breach of the duty made prior to the agreement of a variation, as set out more fully in the Insurance Act 2015.

This summary is provided for illustrative purposes only to assist the Assured in understanding the duty to make a fair presentation and the consequences of a breach of the duty of fair presentation. It is not intended to amend or disapply any provision of the Insurance Act 2015 concerning the duty of fair presentation.

7. Fraudulent Claims

- a) If the Assured makes a fraudulent claim under this Policy:
 - i. the Underwriters are not liable to pay the claim;
 - ii. the Underwriters may recover from the Assured any sums paid by the Underwriters to the Assured in respect of the claim; and
 - iii. in addition, the Underwriters may by notice to the Assured treat the Policy as having been terminated with effect from the time of the fraudulent act.
- b) If the Underwriters do treat the Policy as having been terminated:
 - i. they may refuse all liability to the Assured under this Policy in respect of a relevant event occurring after the time of the fraudulent act; and
 - ii. they need not return any of the Premiums paid under the Policy.

9. Jurisdiction of Covered Judgments

It is hereby agreed between Underwriters and the Assured that indemnity provided by this Policy shall apply only to judgments of first instance against the Assured in the Courts of Law of the Covered Jurisdictions stated in the Schedule and not to judgments obtained elsewhere nor to judgments or orders obtained in the said courts for the enforcement of foreign judgments, whether by way of reciprocal agreements or otherwise, unless the Assured has requested that there shall be no such limitation and has accepted the terms offered by Underwriters in granting such cover which offer and acceptance must be signified by specific endorsement to this Policy.

The Premium for this insurance has been calculated accordingly and no consideration has been paid in respect of sums payable under any other law or the jurisdiction of any other courts.

10. Law and Jurisdiction

This Policy and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter, interpretation or formation shall be governed by and construed in accordance with the law of England and Wales.

Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including contractual or non-contractual disputes or claims) arising out of or in connection with this Policy or its subject matter, interpretation or formation.

11. Limit of Liability

Underwriters' liability to pay Damages (including Claimants' costs, fees and expenses) and Defence Costs shall not exceed the sum stated in the Schedule in respect of any one Occurrence.

Where an aggregate Limit of Liability is stated in the Schedule to apply, the Underwriters' total liability to pay Damages (including Claimants' costs, fees and expenses) and Defence Costs in respect of the entire Policy Period shall not exceed the stated aggregate Limit of Liability regardless of the number or severity of Occurrences or Claims.

Notwithstanding the above provisions, limits specified in an Additional Cover of this Policy will apply as set out in the Additional Cover.

12. Other Insurance

If any Claim or loss covered by this Policy is also covered in whole or in part by any other valid and collectable insurance (other than insurance that is specifically stated to be in excess of this Policy) the insurance afforded by this Policy shall be in excess of and shall not contribute with such other insurances.

The Assured shall, within three months from the expiry of each Policy Period furnish such particulars to Underwriters and the Premium for such period shall thereupon be adjusted and the difference paid by or allowed to the Assured as the case may be subject to any minimum Premium required. The Underwriters reserve the right to request that the Assured supplies an auditor's certificate with such calculations that are the subject to adjustment under this Policy attesting to the accuracy thereof. Such calculations shall include all remuneration paid to Employees and all payments made to self-employed persons or employees of labour only sub-contractors for whom liability is assumed or on such other basis as may be agreed. If due, any additional Premium shall be paid within thirty (30) days of advice to the Assured of any adjustment due.

- a) The Assured undertakes that premium will be paid in full to the Underwriters within sixty (60) days of inception of this Policy (or, in respect of instalment premiums, when due);

In the event of cancellation, premium is due to Underwriters on a pro rata basis for the period that Underwriters are on risk, but the full contract premium shall be payable to Underwriters in the event of a loss or Occurrence or Claim prior to the date of termination which gives rise to a valid claim under this Policy;
- c) It is agreed that the Underwriters shall give not less than fifteen (15) days' prior notice of cancellation to the Assured via the broker. If premium due is paid in full to Underwriters before the notice period expires, notice of cancellation shall automatically be revoked. If not, the contract shall automatically terminate at the end of the notice period;

In the event of a breach of this term, the Underwriters shall have no liability under this Policy unless the Assured shows that the non-compliance with this term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

18. Subrogation

The Assured shall, at the request and at the expense of the Underwriters, do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the Underwriters for the purpose of enforcing any rights and remedies of or obtaining relief or indemnity from other parties to which the Underwriters shall be or would become entitled or subrogated upon its paying for or making good any loss or damage insured by this Policy whether such acts and things shall be or become necessary or required before or after their indemnification by the Underwriters.
